CODE OF CONDUCT FOR ALL CADETS AND THEIR GUEST

1. Cadets will, at all times, be responsible for the conduct and behaviour of their guest. If at any time the squadron staff deems the conduct of a guest to be inappropriate or contrary to the Squadron Standing Orders their parent/guardian will be contacted, and they will be asked to leave without further justification.
2. All cadets and guests who plan to attend the dance must arrive by 8:00PM. No one will be permitted to enter the dance after the close of admission, unless arrangements are made in advance with the Commanding Officer.
3. The Canadian Cadet Organization has a zero-tolerance policy on drugs and alcohol. Any cadets or their cadets found to be in possession of these substances or having recently consumed these substances will have their parent/guardian contacted and will be asked to leave the premises.
4. Cadets and their guest must enter the dance at the same time. An individual who is not a cadet at 5 Cyclone Squadron will not be admitted to the dance alone.
5. Cadets and guests are expected to obey all squadron rules under penalty of consequences as listed in the Squadron Standing Orders.
6. In the event of an emergency, the guest student's parent or guardian will be contacted. When immediate medical attention seems essential, 5 Cyclone Air Cadet Squadron personnel will contact emergency medical services to transport the child to an appropriate medical facility by ambulance.

Failure to adhere to the above-noted code of conduct, at any point during the dance, could result in both the cadet and guest having their parent/guardian contacted and being asked to leave the premises without further justification.
